BAILEY PEGASUS – For life's most memorable journeys

The second generation Pegasus models feature designs that incorporate the existing strengths of their predecessors whilst at the same time enhancing both the desirability and affordability of this award-winning range.

Available in a choice of popular layouts, all models are constructed with the technically advanced Alu-Tech body shell which is insulated to Grade III classification of EN1645-I, allowing you to holiday all year round, and are supplied with a market-leading 10-Year integrity guarantee to provide you with long term peace of mind.

Inside Italian styled furniture in contemporary new Bailey 'walnut' wood veneer, combines with a choice of two luxurious Belgian fabric soft furnishing options, supplied with a full complement of bolster and scatter cushions, to give interiors the ultimate blend of style and comfort. Models are extremely well specified and come packed with the home comforts owners will need for a relaxing and enjoyable holiday

All of which makes the new Pegasus the complete caravan and one which, thanks to the Bailey trademark value for money package, is now available for considerably less than you might think.

*Terms and conditions apply. 10-Year integrity guarantee comprises of 6 years standard warranty cover and 4 years extended warranty cover supplied free of charge. Please visit www.baileypegusus-s2.co.uk for more information on the Pegasus warranty package

The method of calculating the MRO and payload figures has been changed for the 2011 model year. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).
